### DETAILED ACTION

1 A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114.

Applicant's submission filed on March 25, 2005 has been entered.

2 Claims 1- 47 are allowed.

### STATEMENT OF REASONS FOR ALLOWANCE

3 The following is an examiner's statement of reasons for allowance:

After reviewing the references listed in the IDS form PTO/SB/08 filed on March 25, 2005, it is found that none of the provided references teaches or discloses the compounds of the claimed formula (I), in which  $W_5$  is a 5-membered nitrogenous heteroaromatic radical chosen from pyrazolyl, pyrrolyl, imidazolyl, triazolyl and thiadiazolyl radicals as claimed. Further, The closest prior art of record (US 5,708,151) teaches a cationic imidazole azo dye compound having a formula in which an imidazole radical is attached to an azo ( $-N=N-$ ) group and two benzene rings separated by ( $-NH-$ ) group (see col. 9, Example 1, second formula). However, the prior art of record does not teach or disclose a multi-compartment device, process for dyeing hair or a hair dyeing composition comprising at least one cationic azo dye compound of the claimed formula (1), in which  $W_5$  is a 5-membered nitrogenous heteroaromatic radical as claimed. Furthermore, the prior art of record does not teach or disclose a cationic azo dye compound of the claimed

formula (1). Accordingly, the claimed subject matter as a whole would not have been obvious to one having ordinary skill in the art of hair dyeing formulation or in the art of synthetic chemical compounds.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
